**FOR IMMEDIATE RELEASE** -- Meta, MO -- May 23, 2007 -- Diamond Pet Foods announced that it has recalled a limited quantity of Nutra Nuggets 40 Lb. Lamb Meal and Rice Formula because of confirmatory testing that indicates the product may include traces of melamine resulting from cross contamination during manufacturing. No animal deaths have been reported.

This action is limited to Nutra Nuggets 40 Lb. Lamb Meal and Rice Formula with production codes of NLR0404A2SL, "Best Before" Oct. 9, 2008, and NLR0404B2SL, "Best Before" Oct. 9, 2008. The recalled product was manufactured at the company's Lathrop, Calif. facility. No other Nutra Nuggets products are affected.

Consumers who purchased Nutra Nuggets 40 Lb. Lamb Meal and Rice Formula with production codes of NLR0404A2SL, "Best Before" Oct. 9, 2008, and NLR0404B2SL, "Best Before" Oct. 9, 2008, should stop feeding the product immediately and return unused portions to their retailer for a full refund. Consumers may also contact the Diamond Pet Foods Customer Information Center toll free at 1-866-214-6945 for further information. The Center, which is staffed by veterinarians, is open Monday through Friday from 8:00 a.m. to 7:00 p.m. CDT.
