

Hill's Pet Nutrition, Inc., Announces Voluntary Participation in Menu Foods' Nationwide U.S. recall of Specific Canned Cat Foods.

Topeka, KS (March 19, 2007) - In response to the recent Menu Foods, Inc. nationwide recall of wet pet foods, Hill's® Pet Nutrition, Inc. has announced a voluntary precautionary recall in the United States of a very small number of canned cat products that are co-manufactured by Menu.

This recall only affects Science Diet Feline Savory Cuts canned products shipped and sold in the United States.

Hill's is voluntarily recalling the following feline products:

1. Science Diet® Ocean Fish Dinner in Sauce Savory Cuts® Kitten, 3 oz. and 5.5 oz.
2. Science Diet® Beef Dinner in Gravy Savory Cuts® Adult, 5.5 oz
3. Science Diet® Chicken Dinner in Gravy Savory Cuts® Adult, 5.5 oz.
4. Science Diet® Ocean Fish Dinner in Sauce Savory Cuts® Adult, 5.5 oz.
5. Science Diet® Chicken Dinner in Gravy Savory Cuts® Mature Adult 7+, 5.5 oz.

No other Hill's products are affected by this recall.

Hill's Pet Nutrition, Inc., is taking this precautionary step to protect the health and well being of your pets. Hill's has received no reported cases of illness. Consumers of other pet food brands manufactured by Menu Foods have reported a small number of cases of cats becoming ill with loss of appetite, vomiting, and lethargy which are potential signs of kidney failure.

This voluntary product recall involves discontinuation of all retail sales and product retrieval from consumers.

Consumers should stop using the affected products immediately. Consult with a veterinarian if any symptoms are present in your pet. All Science Diet products carry a 100 percent guarantee, and consumers can receive a refund for recalled products. For more information, consumers can contact the company at 1-800-445-5777 or visit www.HillsPet.com for details.
